**APPLICATION for the capability of using the “ CE ” marking**

Num. of Protocol	:	Date :	Athens, / /
------------------	---	--------	-------------

Mr. - Mrs.

Full name	:
Status	:

acting as the legal representative of the Manufacturer or his Agent in the European Union with the following personal data, I apply for providing the CE certificate of Conformity for space heaters with hot-water boilers according to the:

- Directive 92/42/EEC<sup>1,2</sup>, (Annex IV, module C: conformity to type) and
- Regulation EU/2016/426<sup>2,3</sup> :
  - Annex III, §2.4: CE marking and EU declaration of conformity.
  - Annex III, §6: Conformity based on Unit Verification.

Full name	:
Manufacturer / Agent <sup>4</sup>	:

Address	:
Tel.	:
Fax / E-mail	:

**Statutory Declaration**

According to the scope of the applied service I confirm and declare that the following products are according to the type which is described in the EC type Examination Certificate and fulfil the relevant demand/s of the above regulations:

SERIES / POWER <sup>5</sup> in kW	:	/	from	:	up to
SUPPLY FUEL	<input type="checkbox"/>	OIL	<input type="checkbox"/>	GAS	
TYPE / POWER in kW	:	/	: <sup>6</sup>	/	: <sup>7</sup> /
TYPE / POWER in kW	:	/	:	/	:
TYPE / POWER in kW	:	/	:	/	:
TYPE / POWER in kW	:	/	:	/	:

I am completely informed for the rendering services from the Certification Unit for Thermal Systems of Laboratory of Steam Boilers & Thermal Plants and I declare that:

1. The same application has not been sent in another Notified Body.
  2. I am informed and I agree with the test procedures of the rendering service.
  3. I am informed for the cost of the rendering services.
  4. I declare that it will comply with the requirements for certification and provide all information necessary to evaluate products for certification.
  5. CUTS declares that all the information during the certification procedure is confidential and cannot be made publicly available from CUTS without the applicant’s permission, except the information that the applicant has already made them publicly available.
  6. The CUTS shall communicate the results of the assessment of compliance to the competent supervisory authorities: Ministry of Development & ESYD as well as to other notified bodies concerning negative and on request positive conformity assessment results.
  7. I pledge to give access to the ESYD evaluation teams at my facilities on the basis of the Conformity Assessment Plan.
- For the valuation of the boilers which are going to be tested, I enclose a Technical File for each boiler with content as defined in the above regulations.

...../...../.....  
 City, Date (dd/mm/yyyy)

The Applicant.....

<sup>1</sup> As modified from the: Directive 2009/125/EC.

<sup>2</sup> Find attached a form of the Fidelity Declaration “CE”, which will be completed by the manufacturer.

<sup>3</sup> Regarding the assessment of conformity of the space heater with gas boiler.

<sup>4</sup> When there is an agent the manufacturer’s data should also be written.

<sup>5</sup> The Heat Output is written.

<sup>6</sup> Continuity table of the applied service.

<sup>7</sup> Continuity table of the applied service.
